Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Monday 07 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early fog and low cloud, followed by sunshine.

Today:
Patches of low cloud or fog soon clearing to leave sunny spells through the morning. Remaining dry across the region with further sunny spells to follow into the afternoon. Feeling warm, with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Staying dry through the evening and overnight with any remaining cloud soon fading ahead of lengthy clear spells. Shallow fog patches are likely to form in prone areas by dawn. Minimum temperature 7 deg C (45 deg F).

Tuesday:
A fine and dry day on Tuesday with light winds. Partly cloudy in the morning soon clearing with plenty of sunshine to follow. Feeling warm by day but cooling later. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Cloudier on Wednesday with one or two showers and sunny intervals. Mainly dry on Thursday and Friday with sunny breaks. Fog patches are likely in prone areas.
